

M.G. Parker Memorial Library
POLICY ON BINGE BOXES

In accordance with the Library's goal to provide to our community the materials and services that they desire, the M.G. Parker Memorial Library offers a variety of "Binge Boxes" for check out. Each Binge Box contains five or six DVDs in individual cases. These DVDs will all share a series, theme or actor/actress as their common link.

The following borrowing parameters apply:

- Patrons may check two (2) Binge Boxes at a time.
- Binge Boxes will not be "holdable", (no interlibrary loan), and will not be sent through delivery to another library.
- Any Patron with a Merrimack Valley Library Consortium (MVLC) library card may check out Parker Binge Boxes.
- Binge Boxes must be picked up and returned to the Parker Library.
- Binge Boxes must not be returned in the book return. They must be handed to a staff member to be checked back in.
- Binge Boxes will be checked out for 14 days.
- Binge Boxes will not be renewable.
- Overdue fees/fines will accrue at \$3.00 a day to a maximum of \$15.00.
- If all DVDs are not returned in the box, the Binge Box will remain checked out to the Patron and fines will continue to accrue until all parts are returned or the maximum fines are reached.
- Replacement DVDs will not be accepted for missing DVDs.
- Patrons are responsible for damage, loss, or theft of the Binge Box and all contents while it is checked out to them. Patrons will be responsible for the entire replacement cost of the box and contents as well as a \$10.00 processing fee. (The replacement cost of the contents will vary depending on the cost of the items lost/stolen/damaged.)
