

We have teamed up with Purple Umbrella Jewelry to do a Virtual Fundraiser where 20% of all the sales (excluding gift cards) will be donated directly to Friends of the Dracut Public Library. Purple Umbrella has been in business since 1987 and showcases a wide variety of handmade jewelry from different artisans. Think of the gifts you may need for the holidays, birthdays, anniversaries or just a little pick me up for yourself. As shopping in stores right now is a bit more complicated, this is the perfect way to get the gifts you need while supporting our organization and a small business.

Please use the directions below to ensure that Dracut Library will receive credit for your order.

1. Log on to [www.purpleumbrella.com](http://www.purpleumbrella.com)

On the home page you can select the type of accessory that interests you – earrings, necklaces, bracelets, pins and sets. Once you choose a category, as you scroll down the page you will see that items are assorted by artisan. Click on an artisan category to see different styles within each artist.

2. Once you have made all of your selections, fill out your information for purchase.

In the box labeled “Special Instructions”, ENTER OUR UNIQUE CODE ”Dracut”. This is the only way Purple Umbrella can track our total sales so please don’t forget to use our unique code. If you would like a gift mailed directly to the recipient, you may submit that information in the “ship to” space on the order form. Purple Umbrella will also include an enclosure card with your message at no additional charge.

3. Our Virtual Fundraiser is from November 20 - December 5.

Please help support Dracut Library. Feel free to share this opportunity with friends and family.

4. Happy Shopping!
