Become a Friend of the Dracut Public Library

The Friends enhance the effectiveness of the Library by providing financial and volunteer support. This support makes possible educational and public service programs for adults, teens, and children, as well as museum passes, computer workstations, equipment, and furniture for the Library.

Friends meetings are usually held on the last Wednesday of the month at 6:30 pm in the M.G. Parker Memorial Library conference room on the main level.

The FODL is a publicly funded 501 C3 organization. Donors may deduct contributions only to the extent that their contributions are gifts with no considerations received.
