OCTOBER IS NATIONAL READING GROUP MONTH

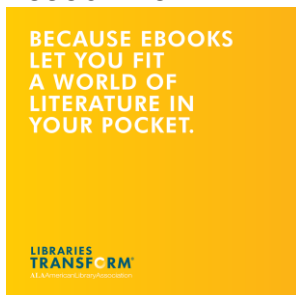

October is National Reading Group Month. Why not celebrate by joining one of our book groups, reading one of the recommended titles, from the Women's National Book Association [<http://nationalreadinggroupmonth.org/>] or checking out one of our Book Group Kits.

Happy Reading!

Nanci Milone Hill,
Library Director

NEWS FROM THE AMERICAN LIBRARY ASSOCIATION

The following is a note from the American Library Association to library users.

America's libraries are committed to promoting literacy and a love of reading with diverse collections, programs and services for all ages. In an increasingly digital world, our libraries are investing more in eBooks and downloadable media. And millions of people discover and explore new and favorite authors through both our digital and print collections.

But now one publisher has decided to limit readers' access to new eBook titles through their libraries.

Beginning November 1, 2019, Macmillan Publishers will allow libraries to purchase **only one copy** of each new eBook title for the first eight weeks after a book's release.

Readers cannot stay silent! We need your help!

This embargo would limit libraries' ability to provide access to information for all. It particularly harms library patrons with disabilities or learning

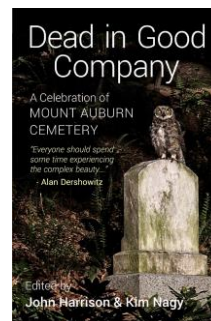

Issues.

If you are a reader, visit <http://ilovelibraries.org/>

The American Library Association needs your help to ensure #eBooksForAll.

Please sign the petition [<https://p2a.co/fgcQkzV>] opposing Macmillan Publishers' library eBook embargo. The American Library Association knows that restricting library eBooks will negatively impact readers like you and will make it nearly impossible for libraries to fulfill their central mission – equitable access for all.
